| 9:00-9:15   | Opening Speech   | <b>H. E. Dr. ITH PRAING</b> , Secretary of State, Ministry of Industry Mines and Energy        |
| 9:15-9:30   | <b>Tea Break</b>   |  |
| 9:30-9:50   | UN Energy & UNIDO's activities relating to Bioenergy                   | <b>Mr. Nguyen Khac Tiep</b> , UNIDO Regional office in Bangkok                                 |
| 9:50-10:15  | Experiences learning for bio-fuel Challenges and Opportunity in Africa | <b>Dr. Markus Rennau</b> , UNIDO Bio-fuel, Biomass & Biogas Expert                             |
| 10:15-10:35 | The Usage of Jatropha's seeds  | <b>Mrs. Jasmine Yong</b> , CEO Toprank E.S. Agriculture Co., LTD (TESA), Kampong Speu province |
| 10:35-10:55 | Experiences on Jatropha oil processing                                 | <b>Mr. Sos Brahim</b> , GKMN-Cambodia Operation Director                                       |
| 10:55-11:15 | Experiences on Jatropha plantation & oil processing for REE            | <b>Mr. Tham Bun Hak</b> , REE-Mongkol Borei, Banteay Meanchay Province                         |
| 11:15-11:35 | Diesel Engine Modification to use on bio-fuel                          | <b>Mr. REY Shopheak</b> , Lecturer of Industrial and Mechanical Department, ITC                |
| 11:35-12:00 | Question and Answer  |  |

| 12:00-13:30 | <b>Lunch (SUNWAY Hotel)</b>   |   |
|-------------|---|---|
| 13:30-13:45 | Bio-fuel Promotion in GMS ( Great Mekong Sub-region) , Challenges and Opportunity                   | <b>Dr. Samai Jai-IN</b> , Energy Specialist, National Metal and Materials Technology Center, NSTDA, Thailand. |
| 13:45-14:00 | Bio-fuel Opportunities and Criteria of Sustainability in Cambodia                                   | <b>Ms. Swan FAUVEAUD</b><br>Bio-fuel, Project Manager<br>GERES-Cambodia                                       |
| 14:00-14:20 | Jatropha Plantation & Management  | <b>Mr. Reinhard K. HENNING</b><br>Jatropha Expert –GTZ  |
| 14:20-14:35 | Bio-diesel for Four E. Security (Energy, Economy, Employment & Environment)                         | <b>Mr. Nuon PANHARITH</b> , Director, Four E.S. Investment Group Co., Ltd. (FE)                               |
| 14:35-14:50 | Clean Development Mechanism (CDM) in Cambodia   | <b>Mr. SUM THY</b><br>Ministry of Environment   |
| 14:50-15:10 | Question & Answer   |   |
| 15:10-15:30 | <b>Tea Break</b>  |   |
| 15:30-15:45 | Bio-fuel Energy Feasibility Study for Food Security and Income Generation of Rural Poor in Cambodia | <b>Mr. Veong Kim Srun</b> , National Consultant for Rural Development- <b>FAO</b>                             |
| 15:45-16:00 | GEF-Small Grant   | <b>Mrs. Ngin NAVIRAK</b><br>National Cordinator   |
| 16:00-16:20 | Role of Rural Development Bank  | <b>H.E. Son KOUNTHOR</b> , Chairman of Rural Development Bank   |
| 16:20-16:40 | International Financial Institution   | <b>Mr. Clive Hughes</b><br>WB-ESMAP Cambodia, SMEs in Decentralized Energy Services Program                   |
| 16:40-17:00 | Question & Answer   |   |
| 17:00-17:10 | <b>Conclusion &amp; Closing</b>   |   |
|             |   | <b>H.E. Dr. Sat SAMY</b> , Under Secretary of State of the Ministry of Industry Mines and Energy              |

Note: **H.E. Dr. SAT SAMY** is a chairman at this hold National Seminar
